\$238,895,000.00

## Disasters:

### Declaration Number

FEMA-4266-TX

FEMA-4269-TX

FEMA-4272-TX

## Narratives

### Disaster Damage:

Over the past two years, Texas has experienced major disaster events — including numerous floods, tornadoes, and wildfires — that have produced six disaster declarations spread over 160 of the state's 254 counties. The Texas counties impacted represent 76 percent of the Texas population, or 20.9 million people — a population greater than that of 48 states. In particular, the recent 2016 events were devastating, killing 29 Texans and causing significantly more public and private property damage due to the compounding effects of the 2015 floods.

The Texas General Land Office estimates a combined loss of over \$2 billion in unmet long-term recovery need, given the impact of the multiple disasters suffered by Texas in both 2015 and 4 | Page 2016. Impacts tied to business interruption, economic losses, unemployment, property tax revenue decreases, agricultural losses, and other measures that are difficult to quantify, are not considered when allocations are made. The 2016 flooding and devastation spanning from March to June resulted in three qualifying events for appropriation under Public Laws 114-223 and 114-254

On April 17, 2016 (DR-4269) Texas was hit with a sixth catastrophic rain event over a 12-month period, initiating a rare flash flood "emergency warning" by the National Weather Service's Houston/Galveston Weather Forecast Office. The rare warning criteria was on target, given the consequences to a highly vulnerable population. The severe flooding greatly affected first responders' abilities to assist residents and, in some instances, even required the rescue of first responders themselves.

Parts of Southeast Texas received 10

inches or more of rain during a 24-hour period, with the heaviest rainfall occurring north and west of Houston.<sup>3</sup> The

devastating floods covered the seven counties. The president approved the governor's Major Disaster Declaration on April 25, 2016, with Amendment #1

issued on May 2, 2016, and Amendment #2 on May 9, 2016.

### Recovery Needs:

The state will be focusing on the variety of data that help provide a comprehensive understanding of the unmet need across Texas in the housing and non-housing sectors. Given the extent of counties impacted by the disasters, a part of the unmet need calculations was determined using data provided by the Texas Division of Emergency Management (TDEM) for all applicants. These data come from the Emergency Management Mission Integrated Environment (EMMIE) database. The total projected cost for damages tied to the 2016 disasters is \$201,341,450. This results in the state's unmet need from public assistance totaling \$57,885,667 with a resiliency multiplier of 15 percent.

The data for housing unmet needs comes from the Federal Emergency Management Agency (FEMA) and the National Emergency Management Information System (NEMIS) database. For the three disaster declarations in 2016, the total FEMA Verified Loss (FVL) is \$186,361,160. The state's unmet need relating to FEMA Individual Assistance (IA) is \$88,131,592 with a resiliency multiplier of 15 percent. The figure for unmet need was calculated by FEMA as being FVL minus all assistance provided through the National Flood Insurance Program (NFIP), FEMA housing assistance, and Small Business Administration (SBA) assistance, as well as other assistance that could be accounted for.

The unmet need, as identified by the SBA using the total verified loss of households and businesses, is \$309,254,300 for housing and \$104,720,409 for businesses. These figures also take into consideration a resiliency multiplier of 15 percent totaling \$40,337,517 for housing data and \$13,659,184 for business data. FEMA and SBA data alone yield an unmet need for the state of Texas totaling \$559,991,968.

## Overall Progress Narrative:

The 2016 CDBG-DR programs are underway. The Grant Management Team has continued to work with communities that are slow spenders.

### HOUSING & INFRASTRUCTURE

20 TIGR PRs approved for \$2,398,076.21.

Data - Infrastructure Program

Measure Description Q3 2022

Closed Out Underway 1

Data - Housing Program

Measure Description Q3 2022

Homes Completed LMI 1

Harris County - Buyout Program

During the reporting period, 5 projects were 100% complete, and 1 project at 95% complete.

Houston - Buyout Program

During the reporting period, the City of Houston has worked on relocating tenants from 2 multifamily properties. One is jointly funded by Harvey. There are approximately 225 tenants currently occupying the remaining properties who will be relocated prior to demolition. The city has not completed any relocations during the quarter. An amendment extending the contract until April 30, 2024 is anticipated to allow for tenant relocation and demolition.

Affordable Rental Program

Madisonville is correcting deficiencies that were noted in the final inspection report, and should be on track to complete by Q4 2022. Cross Plains awarded a construction contract in Q3 2022, and will begin construction in Q4 2022.

### GLO's Efforts to Expedite Implementation and Expenditures

#### Subrecipient Programs

18-522-000 - Program experienced delays early in the program and is still working to get back on track. Extensive TA continues to be provided by the GM. Unknown next draw date; county operates on a reimbursement system, so draws are delayed.

18-523-000 - County has draw all funds available per contract milestones. Progress continues at the local level. Next draw anticipated 11/2022.

18-533-000 - County amended their contract in 9/22 to reduce number of beneficiaries served and deobligated \$9,311,313.78 (transferred to its 2016 Flood Infrastructure contract B279). Final draw expected 10/22.

18-544-000 - County unable to attract qualified applicants for housing contract; 20 of planned 15 homes completed.

Approximately \$1,324,130 will be de-obligated. Final draw deficiencies have been corrected, with revised draw routing through for signature.

19-076-003 - Next draw expected by late September 2022.

19-076-010 - Project experienced delays with design which have been resolved. Construction procurement is complete and an extension is under way to allow for completion of construction and close out. Next draw anticipated 8/2022.

19-076-013 - Program experienced delays caused by shortages. Next draw expected mid-September 2022 for all milestones up to construction NTP. Proposed contract extension to 3/31/23.

19-076-017 - The City has requested a CR to remove the F/D activity and extend the contract 3 months to March 30, 2023, due to the Water project delay.

19-076-048 - County has requested an extension to serve the sole applicant, and a significant portion of the funds will be de-obligated. The next draw is anticipated on 8/2022.

19-076-052 - Construction begins 9/22 and will be seeking a 1yr extension on the contract to 8/31/2023 approved on 7/19/22.

Affordable Rental Program

19-076-049 - After a lengthy environmental and procurement process the project finally is under construction. Construction could be completed as soon as March of 2023. The program is working with the recipient for timeline updates.

### Activity Description:

The City of Katy in Harris County shall reconstruct an existing earthen channel by excavating and adding concrete lining, installing rip rap and fencing, removing and disposing of existing storm sewer pipe, installing manholes, adjusting utility conflicts, and completing associated appurtenances. These activities will meet low to the moderate-income national objective.

### Location Description:

Construction shall take place in the City of Katy at Channel Improvements for Riceland Terrace Subdivision.

### Activity Progress Narrative:

During the reporting period, the City of Katy had grant closeout documents under review for its flood and drainage facilities. Payroll allocation costs in support of activity delivery.
