## Progress Toward National Objective Targets

### Overall Progress Narrative:

The Rita Round 1 Action Plan has been amended as defined in the Grant's Modification #4, approved by HUD June 27, 2013. Unutilized funds from original Round 1 recovery activities have been reallocated toward a Homeowner Assistance Program to benefit un-served residents impacted by Hurricane Rita in the South East Texas Regional Planning Commission area. The program is scheduled to begin around August 1, 2013 and should be completed within eighteen (18 ) months. Approximately \$1.1 million will be used to build or rehabilitate eight (8) homes in the impacted area and administer the program.

>The QPR for period ending June 30, 2013 reflects the budget changes needed to create these new Housing Activities, and includes adjustments to previously reported expenditures in support of some corrective entries from prior reporting periods.

**Activity Progress Narrative:**

Amount of Expenditures reported in QPR for period ending 6/30/13 represents an adjustment posted by during the reporting period by HUD on behalf of GLO. The Adjustment was to reduce the amount of Funds drawn in error against this Activity under three specific Vouchers in the 3rd and 4th calendar quarters of 2011. The funds were drawn to pay for insurance policies for homes under the Round 2 Rita grant - but were inadvertently drawn against the Round 1 Grant by GLO. HUD posted the adjustments on behalf of GLO since they crossed two separate HUD Grants. (Offsetting adjustments were also posted in the appropriate Rita 2 Activities.)
